B.P.A. Lectures 2026 - 27

7TH **October**	**Lecture** – Jane Lines – **'CUBA - More than just Cocktails, Cigars and Vintage Cars** A short digital presentation of photos from a recent trip to Cuba, followed by a selection of 20 competition images showing the starting image and how I progressed and edited it into a competition style image. In the second half prints will be handed around the audience for close viewing, open discussion and questions.
11th **November**	**Lecture** – Paul Hill – "My Year"- wildlife adventure Paul and Julia are both keen naturalists and have travelled throughout the UK and beyond photographing birds and other wildlife. This talk is a calendar of the previous year's exploits, with highlights from each month.
25th **November**	**Lecture** – Andy Polowkowski – "50 Bronze images" Before and after for each image, sometimes with a little bit in-between
9th **December**	**Zoom Lecture at club** - Gordon Watson **– "**the Art of astro photography**"** -
13th **January 2027**	**Lecture** – Paul Bates- **"**Mountains, Music & Mirth" A collection of A/V sequences featuring Mountain landscapes in UK & Europe together with A/Vs of European cities
27th January	**Lecture** – Mark Gilligan – "Three legs, a sensor & a piece of glass" Mark is cited as one of the country's foremost fulltime professional landscape photographers and teachers. This talk is how he approaches taking landscapes including, woodland, coastal, lakes etc
24th **February**	**Lecture** – Susan Clark – "Is photography art" Photography and art have always been interlinked and this talk looks at the impact and influence that each has had on the other and the challenges photography has faced in being accepted as an art form
17th **March**	**Lecture** – Paul Statter - "Soul to Soul" street photography – The fascination of Street Photography lies in the opportunity to capture a unique moment which can be frozen in time and then preserved or shared with others.
31st **March**	**Lecture** - John Cowburn – "National parks of North America" An A/V presentation of a tour of the National Parks.
14th **April**	**Lecture** - Jason Wharam **–** Photographs and tips of what and how I view Landscape Photography with a journey through my UK photography life. This is both a demo and talk
